Annexure B to Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") to the members of Shree Pacetronix Limited on the financial statements as of and for the year ended March 31, 2016 . We report that :

We have audited the internal financial controls over financial reporting of Shree Pacetronix Limited ("the Company") as of 31 March 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the financial statements as of and for the year ended March 31, 2016**1. SIGNIFICANT ACCOUNTING POLICIES****a) Basis of preparation of financial statements**

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified) and guidelines issued by Securities and Exchange Board of India (SEBI). Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b) Use of estimates

The preparation of financial statements is in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Example of such estimates includes Income Taxes, useful life of fixed tangible assets and intangible assets. Accounting estimates can change from period to period. Actual results may differ from those estimated. Difference between actual results and estimates are recognized in the period in which the results are known / materialized.

c) Revenue recognition

Revenue is recognized only when it can be reliably measured and it is reasonable to expect ultimate collection on transfer of the significant risk and reward of ownership of the goods to the buyer and stated at net of discount, rebates, returns and VAT. Revenue from operation is generally recognized when service is performed/ rendered.

d) Tangible and intangible assets

Tangible and intangible assets are stated at acquisition cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost includes purchase price, taxes and duties, labour cost and directly attributable costs for self constructed assets and other direct costs incurred up to the date the asset is ready for its intended use.

e) Depreciation / amortization

Depreciation on tangible assets is provided on the Written Down Value method over the useful lives of assets as prescribed in Schedule II to Companies Act, 2013. Depreciation for assets purchased / sold during a year is proportionately charged. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, commencing from the date the asset is available to the Company for its use.

f) Impairment of assets

An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value. Recoverable amount is higher of net selling price or value in use. Management reviews the carrying cost of the assets at the end of each balance sheet date and is of the view that the recoverable value in the assets is more than the carrying amount and hence no provision for impairment of assets has been made.

g) Foreign currency transaction

Foreign currency transactions are initially accounted at the exchange rates prevailing on the date of the transactions. Gains and losses arising on account of differences in foreign exchange rates on settlement / translation of monetary items are recognized in the Statement of Profit and Loss.

h) Borrowing cost

Borrowing cost that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the costs of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other interest and borrowing cost are charged to revenue.

i) Inventories

Cost of inventories comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formulae used are "Weighted Average Method". Cost of Work in Progress and Finished Goods is determined on absorption costing method. Inventories are valued as follows:

i)	Raw Materials, Stores & Spares, Packing Materials, Consumables	:-	At Cost or net realizable value whichever is lower
ii)	Finished Goods	:-	At cost or net realizable value whichever is lower
iii)	Traded goods	:-	At cost or net realizable value whichever is lower
iv)	Stock in Process	:-	At cost including related overheads or net realizable value whichever is lower

j) Retirement Benefits

- i) Short-term employees contributions like Provident Fund, Employees State Insurance Scheme are charged off at the undiscounted amount in the year in which the related services are rendered.
- ii) Post employment and other long term employee benefits like gratuity is provided on actuarial valuation at the end of the year and charged to Profit and Loss account .Accordingly, Group Gratuity Scheme from Life Insurance Corporation under which gratuity liability of Rs 16.52 Lacs (Previous Year Rs 15.87 Lacs) remain outstanding which is computed based on Projected Unit Credit Method and company has made provision of gratuity Rs. 2.30 Lakhs during the Financial Year (Previous Year Rs 2.10 Lacs)

k) Taxation

Provision for current tax has been made on the basis of taxable income for the current year and in accordance with the provisions of Income Tax Act 1961. The deferred tax resulting from timing difference between the accounting and taxable profit for the year is accounted for using the tax rates and laws that have been enacted or substantively enacted as on the balance sheet date. Deferred tax assets arising on account of timing difference are recognized and carried forward to the extent there is virtual certainty that these would be realised in future.

l) Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement that can be reliably ascertained are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes, when no reliable estimate is made or when there is present or past obligation that may, but probably will not, require an outflow of resources. Contingent Assets are neither recognized nor disclosed in the financial statements.

m) Earnings per share

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earning per share is computed by dividing the net profit after tax by the weighted average number of equity share and also weighted average number of equity shares that could have been issued upon conversion of all dilutive equity share.

n) Investments

Investments are classified either long term based on Management's intention at the time of purchase. Long Term Investment are stated at cost. Provision for diminution in the value of long-term investment is not made only if such a decline is temporary.

Independent Auditors' Report on Consolidated Financial Statements

To the Members of Shree Pacetronix Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **Shree Pacetronix Limited** ("the Holding Company") and its subsidiary (collectively referred to as "the Company" or "the Group"), comprising of the consolidated balance sheet as at 31 March 2016, the consolidated statement of profit and loss, the consolidated cash flow statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of the consolidated financial statements in terms of the requirements of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Companies Act, 2013 (hereinafter referred to as "the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014. The Board of Directors of the Company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company, as at 31 March 2016, and their consolidated loss and their consolidated cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by sub-section 3 of Section 143 of the Act, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
 - (c) The consolidated balance sheet, the consolidated statement of profit and loss, and the consolidated cash flow statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- (e) On the basis of the written representations received from the directors of the Holding Company and its subsidiary company as on 31 March 2016 taken on record by the Board of Directors of the Holding Company and its subsidiary company, none of the Directors of the Group companies incorporated in India is disqualified as on 31 March 2016 from being appointed as a Director of that company in terms of sub-section 2 of Section 164 of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure A"; and
- (g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group.
 - ii. Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivatives contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and subsidiary companies incorporated in India.

Annexure A to Independent Auditors Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") to the members of Shree Pacetronix Ltd. on the consolidated financial statements as of and for the year ended March 31, 2016. We report that:

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March 2016, we have audited the internal financial controls over financial reporting of Shree Pacetronix Limited ("the Holding Company") and its subsidiary company which is incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary company, which is incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary company, which is incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Notes to the Consolidated financial statements as of and for the year ended March 31, 2016

1. CONSOLIDATED SIGNIFICANT ACCOUNTING POLICIES

a) **Principle of consolidation :**

- I. The financial statements are prepared in accordance with the principles and procedures required for the preparation and presentation of consolidated financial statements as laid down under the Accounting Standard (AS) 21, "Consolidated Financial Statements". The consolidated financial statements comprise the financial statements of the parent company and its subsidiary have been consolidated on a line-by-line basis by adding together the book value of like items of assets, liabilities, income and expenses, after eliminating intra-group balances, intra-group transactions and the unrealized profit/loss on intra-group transactions.
- II. The consolidated financial statements are prepared by applying uniform accounting policies in use at the Group for like transactions and other event in similar circumstances and presented in the same manner as the company's separate financial statements.
- III. The financial statements of the subsidiary used in the consolidated are drawn up to the same reporting date as that of the company i.e. 31st March.
- IV. Minority Interest have been excluded. Minority Interest represent that part of the net loss and net assets of subsidiary that are not, directly or indirectly, owned or controlled by the Company.

b) **Basis of preparation of financial statements**

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified) and guidelines issued by Securities and Exchange Board of India (SEBI). Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

c) **Use of estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities as at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Example of such estimates includes Income Taxes, useful life of fixed tangible assets and intangible assets. Accounting estimates could change from period to period. Actual results may differ from those estimates. Difference between actual results and estimates are recognized in the period in which the results are known / materialized.

d) **Revenue recognition**

Revenue is recognized only when it can be reliably measured and it is reasonable to expect ultimate collection on transfer of the significant risk and reward of ownership of the goods to the buyer and stated at net of discount, rebates, returns and VAT. Revenue from operation is generally recognized when service is performed/ rendered

e) **Tangible and intangible assets**

Tangible and intangible assets are stated at acquisition cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost includes purchase price, taxes and duties, labour cost and directly attributable costs for self constructed assets and other direct costs incurred up to the date the asset is ready for its intended use.

f) **Depreciation / amortization**

Depreciation on tangible assets is provided on the Written Down Value method over the useful lives of assets as prescribed in Schedule II to Companies Act, 2013. Depreciation for assets purchased / sold during a year is proportionately charged. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, commencing from the date the asset is available to the Company for its use.

g) **Impairment of assets**

An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value. Recoverable amount is higher of net selling price or value in use. Management reviews the carrying cost of the assets at the end of each balance sheet date and is of the view that the recoverable value in the assets is more than the carrying amount and hence no provision for impairment of assets has been made.

h) **Foreign currency transaction**

Foreign currency transactions are initially accounted at the exchange rates prevailing on the date of the transactions. Gains and losses arising on account of differences in foreign exchange rates on settlement / translation of monetary items are recognized in the Statement of Profit and Loss.

i) **Borrowing cost**

Borrowing cost that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the costs of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other interest and borrowing cost are charged to revenue.

j) Inventories

Cost of inventories comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formulae used are "Weighted Average Method". Cost of Work in Progress and Finished Goods is determined on absorption costing method. Inventories are valued as follows:

i) Raw Materials, Stores & Spares, Packing Materials, Consumables	:-	At Cost or net realizable value whichever is lower
ii) Finished Goods	:-	At cost or net realizable value whichever is lower
iii) Traded goods	:-	At cost or net realizable value whichever is lower
iv) Stock in Process	:-	At cost including related overheads or net realizable value whichever is lower

k) Retirement Benefits

- i) Short-term employees contributions like Provident Fund, Employees State Insurance Scheme are charged off at the undiscounted amount in the year in which the related services are rendered.
- ii) Post employment and other long term employee benefits like gratuity is provided on actuarial valuation at the end of the year and charged to Profit and Loss account. Accordingly, Group Gratuity Scheme from Life Insurance Corporation under which gratuity liability of Rs 16.52 Lacs (Previous Year Rs 15.87 Lacs) remain outstanding which is computed based on Projected Unit Credit Method and company has made provision of gratuity Rs. 2.30 Lakhs during the financial year (Previous Year Rs 2.10 Lacs)

l) Taxation

Provision for current tax has been made on the basis of taxable income for the current year and in accordance with the provisions of Income Tax Act 1961. The deferred tax resulting from timing difference between the accounting and taxable profit for the year is accounted for using the tax rates and laws that have been enacted or substantively enacted as on the balance sheet date. Deferred tax assets arising on account of timing difference are recognized and carried forward to the extent there is virtual certainty that these would be realized in future.

m) Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement that can be reliably ascertained are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes, when no reliable estimate is made or when there is present or past obligation that may, but probably will not, require an outflow of resources. Contingent Assets are neither recognized nor disclosed in the financial statements.

n) Earnings per share

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earning per share is computed by dividing the net profit after tax by the weighted average number of equity share and also weighted average number of equity shares that could have been issued upon conversion of all dilutive equity share.
